

April 24, 2020

Dear Friends,

As we all navigate this new time of dealing with COVID 19, many of us are wondering how to help. We are concerned about the well-being of overstressed healthcare providers, and we also worry about the economic health of the local restaurants so integral to the flavor of our communities and the economic survival of so many workers.

Make a difference right now. Join with Feed the Fight Boston as we tackle both challenges simultaneously by ordering food from local independently-owned restaurants who need business and delivering it to hard-working frontline healthcare workers in need of a boost.

- Donate individually or as a corporation at www.feedthefightbos.com by clicking on Donate Now or by sending a check payable to Newton Rotary Foundation with the note “Feed the Fight Boston” in the memo line.

Any amount, small or large is welcome! \$5 makes a difference, and \$500 feeds the team in a small ER/ICU. \$1000 feeds a large one, and \$5000 provides a week of daily meals for 70 frontline healthcare workers.

Corporate Sponsors at the \$5000 level will be recognized on the Feed the Fight Boston website, when meals are delivered, and through social media. Companies at the \$10k level will also be recognized as Corporate Sponsors in major FTFB communications.

- Become a corporate matching partner. Please promote Feed the Fight Boston within your organization and further encourage staff by matching their gifts. Of course, any matching gifts contribute toward your sponsorship total.

What makes Feed the Fight Boston special? We focus on the *entire community*, distributing orders equitably and allowing any local restaurant to participate. We work with hospitals, clinics, nursing homes, and state-level coordinators to send food to facilities according to their needs.

We are highly effective, in our first two weeks of existence raising funds for over 3000 servings and delivering to a list of 13 hospitals that’s expanding and starting to include high-need clinics and nursing homes. As an all-volunteer organization, we are highly efficient and have zero overhead. And with The Rotary Club of Newton as our 501(c)3 fiscal sponsor, all donations are tax-deductible.

For further details, take a look at www.feedthefightbos.com or contact us at feedthefightboston@gmail.com.

Thank you, from Feed the Fight Boston and from your community!
